

Date: Monday, February 12, 2018

Time: 6:00 – 7:00p.m.

Attendees: community

Elise Kearney
CMS Co-PTO
President

Elise welcomed community and teachers and talked about some of the fantastic contributions CMS PTO has made to our school. She reported that support by teachers and families was amazing for Family Dinner Night at Chipotle. We received over \$1,000 from the restaurant! We have raised tens of thousands of dollars for our school (i.e., box tops for education \$700+, \$6,500 from cookie dough sale, \$11,000 from dodge ball fundraising, etc.

She talked about our large project that we want to fund for the 2017-18 school year. This project benefits well over 400 students. We want to purchase a new curtain and tracking system for the stage in the multipurpose room. Elise asked members to vote on the following:

PTO wants to purchase a new curtain and tracking system for the CMS multipurpose room. This project will be funded with monies raised through various fundraising events during 2017-18 school year. Estimated cost of \$7,000. PTO Executive Board has approved. We asked the General body to approve this expenditure tonight.

Vote: **x** **yes** **no**

A motion and a second were made to approve this purchase.

The vote was unanimous, and the purchase was approved.
